

This document should be considered a guidance tool, with the understanding it is subject to change with any session of the Illinois General Assembly. You will need to complete this form prior to the ROE Compliance Review Visit. Below, in the column to the left, you will find listed areas of study that are mandated by the Illinois School Code and Illinois Administrative Code.

Grade Level Taught: The Codes specify the grade levels to receive the curriculum. Indicate at what grade level(s) is the unit taught. How is the Mandate Taught: Provide written verification that the unit of study is being taught and indicate the reference key at the bottom of the document. Unless specified, "Elementary" includes K-8th grades
