Overview

This document contains all areas of study that are mandated by the Illinois School Code and the Illinois Administrative Code. ISBE recommends that schools review the information on the following pages annually and prior to any ROE Compliance Review Visit. **Please note this document is not intended to be an exhaustive listing of all required content for each instructional mandate. Statutory references should be consulted in all cases.**

Changes or new requirements are highlighted in yellow.

Any topic marked with an * indicates an Illinois graduation requirement. Schools and districts should also reference the [Illinois Graduation Requirements Document](#), which provides guidance on state-required courses and compulsory units of study in which students must earn credit for conferral of a high school diploma.
